

# ANTIOCH BAPTIST BIBLE INSTITUTE

## STUDENT CHECK LIST

***The State of Tennessee has expressed its concern over the issue of nonaccredited schools. In order to clear up any confusion concerning the type of school Antioch Baptist Bible Institute is, we need to make sure that each student understands certain things about the Institute. Please initial each item at the right indicating that you have read, understood and approve that statement. Then, sign and date at the bottom of the sheet.***

1. I understand that Antioch Baptist Bible Institute, a ministry of Antioch Baptist Church, is not approved or licensed by the State of Tennessee. I understand and accept that the church refuses to place this spiritual, Bible-based ministry under state control. INITIAL \_\_\_\_\_

2. I understand that Antioch Baptist Bible Institute is not accredited by any accrediting agency. This school sets its own standards of quality for its courses. In some areas, they are higher than that of other schools. In other areas, we feel that the requirements of others are unnecessary. Accreditation would require the teaching of subjects that would take away from our strong biblical emphasis. If your purpose is a secular education or a religious education that conforms to secular guidelines, then you need to attend school elsewhere. \_\_\_\_\_

3. I understand that the credits and degrees earned here will probably not be accepted by any secular institution and may or may not be accepted by other Bible colleges. \_\_\_\_\_

4. I understand that any degrees earned from Antioch Baptist Bible Institute offer absolutely no credentials in any secular endeavor. I also understand and agree never to place any degrees earned from Antioch Baptist Bible Institute on any resume with the attempt to deceive any employer concerning my level of secular education. \_\_\_\_\_

5. I understand that Antioch Baptist Bible Institute has no tuition. I am also aware that I have the option of giving a love offering in order to help the Institute cover its cost of operation. \_\_\_\_\_

6. I understand that the teachers in this school have been selected based upon their knowledge of the Scriptures, Christian testimony, and life experience. Secular credentials have had no role in their selection. \_\_\_\_\_

I, \_\_\_\_\_ (Print Name), have read the above, have understood it and approve these items as part of my acceptance into Antioch Baptist Bible Institute which is operated as a ministry of Antioch Baptist Church.
